

# CTE Skill Certificate Test Performance Documentation

**This document must be submitted to the test coordinator along with the test scan sheets at the time of testing. It will be submitted to the USOE for the audit and a copy kept on file for two years.**

**Course: Dental Science II**  
**Test Number: 721**  
**School:**  
**Instructor's Name:**

**# Students in course:**  
**# Students tested:**  
**Date:**

This is to verify that the students on the attached class roll\* accomplished the following performance objectives at or above the 80% (moderately to highly skilled) level.

1. Locate the major anatomical landmarks of the face.
2. Locate major landmarks of the oral cavity.
3. Distinguish tooth identification (type, anterior or posterior, maxillary or mandibular).
4. Identify the names and abbreviation of tooth surfaces.
5. Apply appropriate personal oral hygiene.
6. Instruct a patient in personal oral hygiene.
7. Analyze a diet diary.
8. Prepare and organize a patient record.
9. Obtain a medical and dental health history.
10. Demonstrate taking and recording vital signs.
11. Chart the teeth.
12. Record the completed dental treatment.
13. Assist in the administration of local anesthesia.
14. Assemble a matrix band and universal retainer.
15. Mix and transfer dental amalgam.
16. Prepare composite resin material.
17. Mix intermediate restorative materials.
18. Demonstrate the application of calcium hydroxide.
19. Demonstrate the application of dental varnish.
20. Demonstrate mixing zinc phosphate for permanent cementation.
21. Demonstrate mixing polycarboxylate for permanent cementation.
22. Demonstrate mixing glass ionomer for permanent cementation.
23. Demonstrate mixing a two-paste final impression material.
24. Prepare an automix final impression.
25. Take a wax-bite registration.
26. Demonstrate mixing polysiloxane material for a bite registration.
27. Demonstrate mixing alginate impression materials.
28. Demonstrate taking preliminary impressions.
29. Disinfect an alginate impression.
30. Demonstrate mixing dental plaster.
31. Demonstrate pouring dental models using inverted pour method.
32. Demonstrate trimming and finishing dental models.
33. Demonstrate constructing a vacuum-formed bleaching tray.
34. Demonstrate constructing of a vacuum-formed mouthguard.

Each performance is documented and kept on file for two years. (check one or more)

- ☐ Individual student performance tracking sheets
- ☐ A class period summary score sheet
- ☐ Recorded and identified in the class grade book

Instructor's Signature: \_\_\_\_\_

\*Attach a copy of the class period roll and draw a single line through any student on the roll not accomplishing ALL required performance objectives at the 80% (moderately to highly skilled) level.
